What is that?

1. Noun _____

What is that?

I like to help my mom _____ dinner. Sometimes we make chicken and other times we make soup. Today we are making soup. I was in charge of stirring the soup. I was good at stirring the soup. I went to wash my hands and talk to my sister. Suddenly, I smelled something. I ran into the kitchen and there was _____. I yelled for my mom and she came into the kitchen. She _____ the pot off of the stove and turned it off. She told me that the soup had spilled on the stove. I asked mom if we could make chicken instead. She said that I would have to go to the store to get the chicken. I grabbed my back____ and went outside. I got on my _____Noun_____ and rode into town. As I was riding my bike, my shoe fell off. I was riding my bike in just my _____. I got to the store and _____ my foot off because it was wet. I _____ my bike to the bike rack so no one would take it. I got inside and walked to the back of the store. I walked past the loud quacking noise and saw a _____. I tried to _____ at it through the window but I wasn't tall enough. I found the chickens and got one. They put it in my backpack for me and I went outside. A huge red _____ was driving past with a whole herd of cows on it! "How weird!" I thought. I like to ride in trucks because they are big and loud. I took off my bike lock and got on my bike and road home. When I got home my sister was reading a _____ in the kitchen. My baby brother had been _____ because he had fever. My mom grabbed the chicken from my backpack and put it in the oven. I was SO hungry for dinner. Yum!
