# Best day ever

Once upon a time there was a           Noun          . He was a very           Adjective                     Noun          . He went to           Verb           to get some concert tickets to           Noun          . On the way he met a very sassy           Noun          . They became friends and           Verb - Past Tense           to the concert together because they like the same           Noun                     Noun                     Noun          . At the concert they saw           Noun          . The celebrity invited them to dinner at           Noun          . As he           Verb - Past Tense           home with his new friends he tripped on a           Noun           and woke up. he was very           Adjective           that it was all a dream.
