The dragons teeth

Aetes, Pronoun turns Particle, had got his Noun - Plural on some dragon's Noun - Plural with unique agricultural properties. As soon as these hit the soil they began to sprout, which was good from the point of view of Jason Verb - Present Tense his task by Noun, but bad Preposition or subordinating conjunction terms of the harvest. For Determiner seed germinated into a fully-armed Noun, who Verb - Past Tense up from the ground and joined Determiner throng now menacing poor Jason. Aetes, meanwhile, was standing off to the side of the field chuckling quietly to himself. It irked the king somewhat to Verb his daughter Noun across the Noun - Plural to Jason's side, but he didn't think too much of it at the time. Having proven herself Adjective to a fault, maybe Proper Noun was just saying a Adjective and proper farewell.
