Bad Dream

One day while I was walking home from _____Place_____ I saw a _____Creature_____ walk in front of my house. I slowly approached him with the thought that he might hurt me. As I came closer he turned towards me. His _____Body part_____ looked as if he crashed into a _____Noun_____ and rolled down a _____Noun_____ only to fall into a pile of _____Noun ending in es_____. It freaked me out so much that I nearly fainted before I started to run away faster than I ever thought possible. He followed me at a very _____Adjective_____ pace before falling on his **Repeat Last** Body part and landing on my friend _____First Name of a Person_____. I stopped after he fell to pick up a _____Noun_____ and then proceeded to throw it at the **Repeat Last** Creature . The **Repeat Last** Creature got up just before the **Repeat Last** Noun got there and hit **Repeat Last** First Name of a Person smack in the _____Body part_____. I woke up soon after finding my entire ordeal as just a bad dream.
