When who went to Where

When First Name went to Place, he encountered a group of Noun that were trying to
change the tire on their vehicle. When Repeat Last First Name offered to help, they pulled Noun -
Plural on him, and he quickly hopped into the vehicle that was waiting for him and Adverb
went to the Place.

The next day, at the Noun festival, he saw the Repeat Last Noun again, and they verb ending with ed
him! Needless to say, Repeat Last First Name was flabbergasted! As it turns out, The Repeat last Noun were
Multiple Personality Disorder victims, as well as being delusional.
