

# My Backyard Special Thing

1. Pronoun

# My Backyard Special Thing

I have a golf course in my backyard. We built it last year. It is whole made. This is a true story. I like to go and get hole in ones. We started building it last year on holy Thursday. Good Friday we really started building it. Holy Saturday we were almost done. and by Easter morning we were done! We played with the golf course all day that day. \_\_\_\_\_ Pronoun is so much fun!
