## **AmeriCorps Day**

Once upon an AmeriCorps Day, our team was sent to <u>Location</u> to help out the local community with	
<u>Verb - Present ends in ING</u> lots of <u>Noun</u> . Unfortunately, that same week two of our members,	
<u>Proper Noun</u> and <u>Proper Noun</u> were abducted by <u>Noun</u> to help restore order to a	
Adjective Noun that was going awry. Thankfully, our Adjective team leader Willie	
transformed into a/an and saved them. That next week our Adjective sponsor,	
First Name of a Person, sent us out to to scope a potential Adjective species of	
<u>Noun</u> to help improve the community. Misfortune struck again when <u>Proper Noun</u> accidentally	
tripped over a <u>Adjective</u> Noun and crushed the 15p van. From that day on Moose 4 was forced	
to drive a/an <u>Noun</u> everyday.
