Happy 50th Birthday Dan

When I heard Dan was turning 50 this year I was [Verb] out of my [Noun]. I am [Verb] at how [Adjective] he is in his old age. When we used to hang out at [Place] I always thought he was a/an [Adjective] guy. I wish him a day of [Noun] and a/an [Adjective] year ahead. My only advice to a 50 yr old principal is to live [Adjective] and [Verb] anytime you can!

Happy Birthday From your [Adjective] [Relationship].
