# two guys

One day persons name one and persons name two were both early for Event at Location. "Hey we still have time." persons name one said. "Yeah" said persons name two.

With out any further Verb - Present ends in ING, persons name two Verb - Past Tense persons name one passionately. "I feel so safe" said persons name one. "DOn't ever let me go." persons name two nodded. They both tore off their Noun and fondled each other's Animal (plural). They could not contain themselves.
