6. Area On Ship

My Monday

Every Monday, I wake up to chat with all you Adjective people about our wonderful brand, Celebrity Cruises. After each conference call, I think to myself, "I'd much rather be on Celebrity Ship heading towards Celebrity Destination. The first thing I would do on the ship is Activity. But more importantly, my first drink would be a Beverage. And you if you decided to join me onboard, you can always find me at Area on Ship.
