Sultans of swing

You get a in the dark
It's been raining in the but meantime
South of the river you stop and you hold everything
A band is blowing Dixie double four time
You feel all right when you hear that ring
You step inside but you don't see too many
Coming in out of the rain to hear the jazz go down
Too much competition too many other places
But not too many can make that sound
Way on downsouthtown
You check out Guitar he knows all the chords
Mind he's strictly he doesn't want to make it cry or sing
And an guitar is all he can afford
When he gets up under the lights to play his thing
And doesn't mind if he doesn't make the scene

He's

got a daytime job he's doing alright
He can play honky tonk just like
Saving it up for Friday night
With the with the of Swing
Amd a crowd of young they're fooling around in the corner
Drunk and dressed in their best brown baggies and their platform soles
They don't give a about any trumpet playing band
It ain't what they call rock and roll
And the Sultans played Game
And then the man he steps right up to the
And says at last just as the time bell rings
'Thank you it's time to go home'
and he makes it fast with one more thing
'We are the of Swing'
