# Quinn's Story

One beautiful sunday morning quinn was running his usual laps when he saw a Proper Noun who was  
trying to cross the street, quinn stops to help her when all of a sudden the Repeat Last Proper Noun is run over by a  
Noun. Quinn watches in horror as the lady dies in his Noun. The cops show up and arrests  
Quinn. Quinn wakes up in a cell holding a Noun. He uses his Body Part to try and break out of  
the cell. He pulls out his Noun and begins using it on the bars, which after a long time breaks the bars  
allowing him to escape! The cops chase him with their Noun, but he makes it out and then runs off to  
Country!
