A Normal Day

It was _____Day of the week_____ again, which meant I would _____Verb - Base Form_____ to the _____Place you hate_____ to gather my thoughts. I needed that break, for otherwise my mind would start playing tricks on me. I remember when my _____Kitchen appliance_____ overflowed and I thought _____Family member_____ was inside the _____Partical of said appliancece_____. I figured she must be _____verb end in -ing_____ in there, since she loves to _____Verb - Base Form_____ _____Proper Noun - Plural_____. I wouldn't think it beyond her to sit in the _____Partical of said appliancece_____ like that, _____verb end in -ing_____.

I arrived at the fence of the _____Place you hate_____. I saw a _____Adjective_____ _____Noun_____. Now it was time for some gathering of thoughts. I took out my _____Something to write on_____ and started sketching **Repeat Last** Family member with **Repeat Last** Partical of said appliancece . This made me feel _____Outrageous adjective_____. It wouldn't be too late to go to the store, I thought. I ran out of _____favourite bread topping_____ and I need that in the sink with the dishes while I watch _____boring task_____ on tv. I felt very _____emotion_____ at the thought of that. What was the store called again? Something really ugly, like _____Your name_____. No, I think it was _____Your mom's name_____ 's crackden. I'm looking forward to _____Adverb_____ writing in my diary this evening.
