Fatigue in the League

Whew! Yesterday at work was a _____ one! As soon as I punched in at the League, my supervisor handed me a _____ which had a list of _____ to _____. I had not gotten a lot of sleep, so I worked very _____ to do what I could to get everything done. Thankfully I was able to grab a coffee from Beanster's - it kept me _____ as I completed my tasks.

Things were going _____ until my supervisor mentioned to me that Mary Sue was going to be visiting the building later that night for a special event, so we had to prepare the _____ for her arrival. We only had _____ hours to get ready. I immediately grabbed a food from U'Go's Express so I could stay _____.

My fellow employees and I did everything on our list, which included cleaning the _____, _____ the _____, and hanging up a giant _____ in the Vandenberg Room. As soon as Mary Sue entered the building, she told us how _____ the building looked. We were very _____ and thanked her for the _____. Even though I had been awake for _____ of hours, I was so happy that we helped make for a _____ evening at the League!
