Math Class

Today in _____ Noun class, we talked about _____ Noun - Plural. The teacher, Mrs. _____ A last name, is very nice and _____ Verb - Present ends in ING. She let us pick our own _____ Noun, and our own paper to _____ Verb - Base Form. My partner, _____ First Name of a Person, is very _____ Adjective at math, so I had to do all the _____ Noun for her. At the end of the class, Mrs. Anderson told us we don't need to do any _____ Noun! I was so exited!
