# Math Class

Today in \_\_\_\_\_  
Noun class, we talked about \_\_\_\_\_  
Noun - Plural. The teacher, Mrs. \_\_\_\_\_  
A last name, is very nice and \_\_\_\_\_  
Verb - Present ends in ING. She let us pick our own \_\_\_\_\_  
Noun, and our own paper to \_\_\_\_\_  
Verb - Base Form. My partner, \_\_\_\_\_  
First Name of a Person, is very \_\_\_\_\_  
Adjective at math, so I had to do all the \_\_\_\_\_  
Noun for her. At the end of the class, Mrs. Anderson told us we don't need to do any \_\_\_\_\_  
Noun! I was so excited!
