# How Food is Awesome

Food is Adjective. Why you ask? Because it tastes great and it keeps your energy flowing. This is how you receive energy. First, a type of Noun, like grass, receives it's energy from Noun and water. After that, a primary consumer, such as a Noun will eat the grass and get energy from eating the grass. Then, we kill the cow clean it up, and by that I mean take out the organs and skin it, and purify it. Last, it is cooked into Noun for us to eat and receive energy from IT.
