Witches

Anna was very Adjective for she had a Adjective family. Then one day her dad Verb -
Past Tense and her mom and her best friend said it was her fault. Anna started believing them but then came a
day when a witch told her about a group of Noun - Plural. Anna wanted to go so Adjective.
She looked at the Same noun as before. "What's your name? I'm Anna." she said, the Same noun as before
looked at her.

"I'm Gracie. And this is Storm, Chris, Joey, Leo, Shimmer, Alyssa, Alexis goes by Alex. Lexi, Tony, John, and
Grey." she told Anna.
