Is this a Nightmare???

It is a _____ Day of the week morning in the Summer holidays and you are excited because your best friend,

_____ Your best friend is coming for a sleepover. You have also invited your other best friend _____ Another

friend _____ to come too. From downstairs your mother calls, " _____ Your name, dear. Repeat Last Another friend

and Repeat Last Your best friend _____ are here." You quickly open the door and see your friends waiting there. You call

them upstairs and show them your new TV. "It's a Samsung, 90 inch." You tell them. "Cool, mate. Repeat Last

_____ Your name, you are so lucky!" Repeat Last Another friend _____ says.

At midnight you and your best friends watch your favourite movie, _____ Your favourite movie. Well, maybe not

Repeat Last Your best friend _____, because she/he fell asleep 5 minutes after the movie started. Half way through the

movie, you and Repeat Last Another friend _____ hear a voice that goes like, _____ Noise, Repeat Last Noise _____, Repeat Last

Noise _____. You quickly turn off the TV and you can hear it louder now. You wake up Repeat Last Your best friend _____

but he refuses to get up. 2 seconds later, you hear a loud scream. Which wakes up Repeat Last Your best friend _____, too.

"What the holy f*ck was that!" Repeat Last Your best friend _____ asks you. "I don't know, I heard a scream! Louder that

sh*t" you reply. "Why do you two always swear?" Repeat Last Another friend _____ interrupts. "Shut up!" You both reply.

You run into your parents bedroom and see that they're both not there. You go downstairs into the living room

and open the door, and there you see a vampire sucking on your mother's blood. That was the scream. Your _____

mother' scream. You also see your father in the background, dead. You cry, silently though. Repeat Last Your best

friend _____

and Repeat Last Another friend pull you back and tell you to run for your life. You, Repeat Last Your best friend and

Repeat Last Another friend run for it. Whilst you are running you hit a trip and hit a Noun. You bleed and go to sleep. All you can think of is that is this a dream or is this real life. You decide. After all, it is your story,
