Best day ever

Mr. last name of a person came up and he Verb - Past Tense at me

Said "it's gonna be a Adjective one, just wait and see"

Verb - Past Tense out of bed, and I Verb - Past Tense outside

Feeling so ecstatic, satisfied.

[Chorus]

It's the Adjective - Ends in EST day ever (Adjective - Ends in EST day ever)

It's the Adjective - Ends in EST day ever (Adjective - Ends in EST day ever)

I'm so busy, got nothing to do

Spent the last Number hours just Verb - Present ends in ING my type of clothing

Every Noun, every grain of Noun

Is reaching out out to shake my Part of Body

[Chorus]

Sometimes the Adjective things start closing in on me

When I'm feeling down, I wanna lose that frown

I

stick my Part of Body out the Noun and verb around

Those crowds don't scare me, they can't disguise

Its magic that's happening right before my part of body plural

Soon Mr. last name of a person will be shining Adjective

So the Adjective - Ends in EST day ever can last all night

Yeah, the Adjective - Ends in EST day ever's gonna last all night, now.

[Chorus Number]
