# Luke, the Fisherman

I'll tell you what, when Luke isn't helping his dad captain the \_\_\_\_\_ Noun at the lake, he is fishing off the back of the boat. If you go \_\_\_\_\_ thing to do on vacation with Luke, don't worry about bringing \_\_\_\_\_ Noun - Plural just bring a \_\_\_\_\_ Noun! Luke will catch so many fish that you'll have them for \_\_\_\_\_ meal. He can get a \_\_\_\_\_ Animal on a hook faster than you can say "jackrabbit". Since he listens to his dad so well and has practiced \_\_\_\_\_ Noun so often at his favorite place, Ruth Lake, Luke is a great teacher for his \_\_\_\_\_ Noun Gabe, and I think, if you ask, he'll teach \_\_\_\_\_ Pronoun to fish too.
