Pen Pals

Dear First Name of a Person,

Everything is all right here, but it's been a Adjective couple days! I had a test yesterday, don't even ask if it went Adjective! It was hard! My Animal is sick, he's been throwing up. I hope he feels better.

Do you have any pets? I have Number. We are getting another Animal soon! My mom loves pets, but I don't really. It's starting to get warmer here, about Number degrees. I can't wait until I can shorts Day of The Week Day of The Week! I love the warm weather! My Noun tells me it's

Adjective where you live. Is it? I have Event practice soon, so I can't write for long. This pen pal project has been the best assignment yet!

Your Noun,

First Name of a Person
