

The Leaf

1. Noun - Plural
2. Noun - Plural
3. Verb - Present Ends In Ing

The Leaf

I watch a leaf fall to the ground. It is not just a Noun - Plural it is life a beacon of hope if you would call it.

It shows that that those who fall willingly will fall easily, but those that don't will fall hard. I learned to fall hard

then easy because the Noun - Plural that don't give up live longer before Verb - Present ends in ING.
