Worlds Of Fun

One Adjective and Adjective day First Name of a Person, First Name of a Person, and I all want to Worlds Of Fun. We all had Noun passes, so we all got in free. When we got there we saw the new ride the Steel Hawk, it was huge, it towered at Number feet tall. The ride was not open yet so we all got mad but we got over it and moved on. When we got inside the park we meet up with some of our friends, First Name of a Person, First Name of a Person, and First Name of a Person. We all decided to go to the Timber Wolf first because it had the smallest line. When we got there there was no one in the line so we got to go straight to the cart. When we were on the cart going Particle hill we saw a person Verb - Present Tense from the ride, we all screamed, but it was just a Adjective that someone threw off the cart. When we got off that ride we were almost to scared to ride another ride but we did and we went to the detonator. We all hated that ride but we rode it anyway until First Name of a Person told a story. That story was about when he was here with his brother Brett and his seat was unbuckled, but he didn't want to tell the ride ambassador. So when the ride was about to go up Brett just held on as Adverb as he could and has never rode that ride since. So after we heard that story we all decided to not go on that ride. After that crazy story ,that scared us all, we rode a few more rides then we decided to leave left.
