Bananas

In years, bananas will take over the world. They will take your,
Noun - Plural, and Noun - Plural, eat it and Verb. They will take over by punching you in
the face very rapidly, and on you. As you can see, bananas are very dangerous. Even
though they are small, they have numbers. Then when we have almost won the battle against the bananas, they
will team up with They are heavy weight champions, and will throw at
you. Now the bananas will be coming so load your shot guns, and get in your basement!
