## RECONSTRUCTION

Immediately following the war, all Southern legislatures passed black codes which denied	
Noun the right to Verb - Base Form or Verb - Base Form land. These efforts to force former	
Noun - Plural to work on plantations led Congressional Republicans to seize control of Reconstruction	
from President First Name of a Person Johnson, deny representatives from the former Adjective states	
their Congressional seats, and pass the Civil Rights Act of and draft the 14th Amendment,	
extending citizenship rights to African Americans and guaranteeing equal of the laws.	
In, the 15th Amendment gave voting rights to black men. The, in alliance	
with carpetbaggers and southern Republicans known as scalawags, temporarily gained power	
in every former Confederate state except The Reconstruction governments drew up democratic	
state constitutions, expanded 's rights, provided relief, and established the	
South's first state-funded Noun - Plural. Internal divisions within the Adjective Republican Party,	
white terror, and Northern apathy allowed white Southern Democrats known as Redeemers to return to power.	
During Reconstruction, former Noun-Plural and many Adjective white farmers became trapped in	
a new system of economic exploitation known as
