The Night Of The Fright From Above. :3

One very Adjective - Ends in ING up night, my friends and I went to the old mansion at the end of the street.

Once there we Verb - Past Tense and had lots of Noun - Plural. After that we went home for a night

on the Noun. And were scared when my friend went Verb - Base Form above me and shouted

Phrase That Induces Pain -- - -----. It then that I realized he was on top of my face and shouting "Welcome To

The Fright From Above," And stabbed me with a Noun after loads of drinking Fluid. That is

why I never drink Fluid again.
