Meredith the Miraculous

Meredith is our favorite Noun . Her eyes shine like the Color Noun and her hair glistens like the Noun . We don't know what we would do without her for she is the keeper of Noun and knows all there is to know. Therefore, it is our mission to keep her Adjective because if she gets Adjective everything will Verb . We love our Adjective , Adjective Meredith for she picks us up when are Adjective and always has a empty Noun and a Adjective ear for when we need to Verb . Through it all she never stops Verb - Present ends in ING us! Thank you for all the times you've Verb and Verb . You've taught us so much like how to Verb and we just wanted to say how very Adjective we are to have you in our lives!
