# Death Boy

Once there was a           Noun          . He was the           Adjective - Superlative           darn           Noun           you ever saw. He was           Verb - Past Participle           so much, that he started           Verb - Present Tense                     Noun - Plural          . One day his bullies           Verb - Past Tense                     Adjective          . He danced on their           Noun - Plural           until he turned to           Noun          . He was never           Adjective          . The end.
