Arnold, My Love

Arnold, my Noun, my Adjective preteen

Why must I Verb - Base Form you only whilst I dream?

Must I forever be Verb - Past Tense by your Noun?

Why must I Verb - Base Form you, and never, ever tell.

Arnold, you make my girlhood Verb - Base Form.

My senses, they all go Adjective.

Someday I'll tell the Noun, my love.

Or my Noun isn't Helga G. Pataki
