The Vanishing Bobcats

One _____ day in a family of Bobcats went to find _____ in the forests of Mercer county Park.

Food was very scarce and the family of Bobcats was the only surviving _____ of Bobcats as far as they

knew. Their neighbors stepped into a _____ and their friends got run over by a _____. It was

very _____ to survive here, especially the winter. Then something out of _____ came to

the forests where the family of Bobcats lived. A _____ of scientists came and put radio collars on the

Bobcats. The collars tracked the Bobcats to see why they were decreasing in numbers.
