Students on a Trip

Once upon a time, Student 1 went to Place 1 Place 1 with some friends. He/She drove a Vehicle, and with him/her was Student 2 and Student 3. Student 1 had on Color socks. Student 2 was wearing Number shirts and Student 3 smelled like Noun - Plural!

When they got to the Place 1, a Adjective Animal tried to steal their Noun - Plural and eat up all of their Food! To protect all of their stuff, Student 2 threw a Noun at the Animal and hit him right in the Part of Body and made it cry. Its tears are made of Toy - Plural that turn into a Noun! Everyone got home safely and ate dinner at Restaurant. The End .
