

can you help me

1. Place
2. Pronoun
3. Pronoun
4. Greeting Someone
5. Feeling

can you help me

Yesterday, I was walking _____place_____ from your house and I saw some cyclists. One of them fell off and spotted _____Pronoun_____. They ran away before _____Pronoun_____ could say _____greeting someone_____ to them. I am so _____feeling_____ that they left me there, staring at them ride away.
