A Letter From A Teacher

Dear Parent/Guardian,

Your child is Adjective at school. We are going
to expel him if you are Adjective with it. He has the Adjective
grades in the school. Your child thinks school
is Adjective . All of us teachers think Exclamation
is all that your child says. If you don't think we should expel
First Name of a Person then we think it is appropriate to sign him up for
therapy. We think that Same First Name has bad problems.
Please contact the Adjective school immediately.

Best Regards,

Principal Miller
