# The Great White Horse

When I was a young           Noun           I           Verb - Past Tense           the Great White Horse. His hair was like           Noun          . His hoofs were ablaze with           Noun          . The Great White Horse is the           Adjective -  
Superlative           and most           Adjective           creature in the entire made-up           Noun          . A true           Noun           of  
the wood. The Great White Horse was not only           Adjective           but it also spoke           Number           different  
languages. Moreover, the horse liked to           Verb                     Noun - Plural           to match its neatly groomed  
          Noun          . Unfortunately, his 5 wives did not get along. Good thing I made this whole story up!
