Learning

Wow! We have learned so much in 4th grade. I want to take this opportunity to think about all of the
Adjective learning that we have done this year.
Language Arts with Ms. Patterson and Ms. Measroch was! Who remembers learning about
prepositions, Noun - Plural, adjectives and verb? We also spent a lot of time learning about
Verb - Present ends in ING , fact and Noun , cause and Noun and looking for Adjective
clues. We put all of our skills to use when we all wrote Young Authors' Night Non-Fiction
Books. Mine was about!
In Social Studies with Ms. Salmenson and Ms. Silverboard we learned about Americans,
Explorers
Colonial Times the French and Proper Noun War and the Adjective Revolution. I know so much
more now about American history. I can't even imagine living during any of those times. Our
life is so much morenow.
In Judaics we learned all about Shabbat. We learned about how we the candles,
the wine, eat the challah and the spices. I will never forget my
Reinventing Ritual project. I made a Noun.
