Dear Science Teacher

Dear Science Teacher,
Please excuse First Name of a Person for being late for your
Adjectivescience class. It's my fault First Name of a Person was up until theAdjective hours
of the
morning completing his/her Adjective project. Just as he/she was
going out the <u>Adjective</u> door, I noticed that his/her only pair of
Noun - Plural had a Noun in them. It took me an hour to
find my <u>Noun - Plural</u> so I could see to <u>Verb - Base Form</u> the needle,
enabling me to sew his/her <u>Noun - Plural</u> back together.
