Dear Science Teacher

Dear Science Teacher,

Please excuse PERSON for being late for your

ADJ3 science class. It's my fault. PERSON was up until the ADJ5 hours of the

morning completing his/her ADJ6 project. Just as he/she was

going out the ADJ7 door, I noticed that his/her only pair of

PLURALNOUN2 had a NOUN3 in them. It took me an hour to

find my PLURALNOUN3 so I could see to Noun the needle,

enabling me to sew his/her PLURALNOUN4 back together.
