# Winchesters New Chapter

There were some things the boys just could never be prepared for.

Sure, they were raised from toddlers to Verb - Present ends in ING monsters, but when it comes to law enforcement, it's a whole different Noun

Before the Winchester boys encountered Sam's visions, which mainly involved Noun - Plural, they had a bigger problem and a whole new Adjective monster on their hands.

Two deaths. Both girls, killed by their Noun - Plural. Cause of death? cause of death The worst part was the cops actually caught the perpetrators. The first one was Full Name of a Person, who Verb -  
Past Tense his girlfriend, Full Name of a Person The second was another Adjective guy. The third girl was tied to a Noun, bleeding and Verb - Present ends in ING The cops found the guy--- but it was Dean Winchester!

How did they know it was Dean? Simple. He had all of Dean's normal physical characteristics. He was height tall, had a Adjective face with those luscious Part of Body and cute Part of Body, wore his father's clothing article, and gave a smug Noun to the cops when he put his body part plural in the air. He was also Adjective

Yes, the boys didn't know it yet, but they were dealing with a Noun ( also known as a shapeshifter in Location lore ).

Rewind Number days.

Sam Winchester was, as usual, Verb - Present ends in ING with his laptop and Dean was making smart remarks like " remark , Sammy "

They found out about this case because Sam read an online article titled article title . Dean was skeptical at first, but Sam convinced him when he Verb - Past Tense . Sam was Adjective like that. How do we know? Because once when Sam was solving a case about a creepy Noun painting where the ghost of a Noun was trapped in the painting and killed people by Verb - Present ends in ING , a girl named First Name of a Person with a Adjective eyes kissed Sam's Adjective Part of Body and had a major crush on him because he Verb - Past Tense .

Anyways, the boys were really stumped on this one. Who was hurting these girls? Some sick single word insulting name , no doubt. But it was when Dean became a victim that they really got to the brainwork.

Dean was arrested, and the cops really gave him special Noun - Plural . Dean was very sassy, saying things

like "I think I'm \_\_\_\_\_ Adjective " and " \_\_\_\_\_ exclamation " to the law enforcement. This did not help his case .

Now that they knew it was a shapeshifter, who shed its \_\_\_\_\_ Part of Body and could read the \_\_\_\_\_ Part of \_\_\_\_\_ Body of its victims which it kept alive, they went into the \_\_\_\_\_ Location and then the sewers to find its lair . All they found was a whole load of \_\_\_\_\_ Noun

With Dean in custody, Sam was helpless because the shapeshifter stole their \_\_\_\_\_ Noun - Plural "Dean" joined Sam, but Sam was majorly suspicious, mainly because Dean wasn't \_\_\_\_\_ Adjective and acted \_\_\_\_\_ Adjective, which was very abnormal for his older brother.

Sam: Dean would never \_\_\_\_\_ Verb - Base Form

"Dean": Come on, you going to shoot your brother? \_\_\_\_\_ question ?

Sam: \_\_\_\_\_ exclamation !

With that, "Dean" knocked Sam out with a \_\_\_\_\_ Noun When Sam awoke, he was tied to a \_\_\_\_\_ Noun with \_\_\_\_\_ Noun .

Sam: Did you hurt my brother? If you did I'll \_\_\_\_\_ Verb - Base Form you!

"Dean": Heh. I'm your brother now. Which means I get to \_\_\_\_\_ Verb - Base Form you .

Sam: You \_\_\_\_\_ single word insulting name !

"Dean": You know what your brother thinks of you? \_\_\_\_\_ exclamation ! That's right, I'm inside his head. He

\_\_\_\_\_ Verb - Present ends in S constantly and guess what? \_\_\_\_\_ exclamation !

Sam: \_\_\_\_\_ exclamation !

Sam luckily found out Dean was alive. Dean let out a \_\_\_\_\_ sound and cried \_\_\_\_\_ exclamation so Sam knew

he was alive. Dean was able to let them out of this trap by \_\_\_\_\_ Verb - Present ends in ING . Sam was very

\_\_\_\_\_ Adjective .

The boys were able to get the situation under control by killing the fake Dean with the shapeshifter's only

weakness, \_\_\_\_\_ Noun . Unfortunately this made it look like Dean died because of \_\_\_\_\_ explanation . The

news media broadcasted it that way.

Fast

forward to date Sam was Verb - Present ends in ING on the Noun and Dean was busy doing what he always did, which was to Verb - Base Form outside.

No lead on Dad.

Sam was still furious that they let their dad go. After all that time without him, they had to lose him again. and for what? A Noun ? Sam's only recompense was their dad was most likely Noun .

Dean was secretly worried about Sam's visions. The last one he had involved their childhood home and resulted in consequence of something Dean put his "game face" on for Sammy, though, which made him look Adjective . The saddest part was that Sam's face would scrunch up in emotion and he would get horrible Noun - Plural when he got his visions.

Their only lead so far was that the thing that killed their mom was a Noun . Unfortunately, the boys did not know how to kill a Noun like Meg.

Surprise! John Winchester found the boys when they were following up on a case of three Adjective Noun - Plural who Verb - Past Tense a guy in his cabin.

John:

Good to see you boys. Did you see a Noun in the cabin?

Sam: Dad!!!! exclamation !

Dean: Dad? Yes we saw it. exclamation

John: Good. It belonged to First Name of a Person Colt. I know what killed him. Noun - Plural (also known as vampires in Location lore) .

Dean and Sam: VAMPIRES? exclamation !

John: That's what I thought too. But exclamation and you can only kill them by Verb - Present ends in  
ING

Dean: I thought you had to Verb - Base Form them with a Noun in the Noun

John: That's a myth. You Verb - Base Form their Adjective - Ends in EST Noun

Sam: exclamation

Dean: Good lord, Sam. exclamation

John: Listen up boys. Do what I say. Go Verb - Base Form .

Dean: Yes, sir.

Sam: Why do we just have to do what he says????? He Verb - Base Form !

As they drove, Sam's temper rose to the point where it Verb - Past Tense his Part of Body . He forced

Dean to pull the impala onto the side of the Noun and blocked their dad's vehicle, a Noun

Dean was worried about this. He really wanted the family to get along by Verb - Present ends in ING together,

but Sam was already causing friction by being a Noun

John: Why did you stop the car?

Sam: Because explanation ! Now tell us WHY we are going to this vampire nest!

John: Excuse me? exclamation

Dean:

Oh god not this again. exclamation

Sam: exclamation ! exclamation !

John: exclamation !

Dean: Stop it both of you! That means you too Dad. exclamation

John: Fine. I owe you boys an explanation. Colt once made a gun. It has 5 Noun - Plural left. They say this gun can Verb - Base Form anything.

Dean: So if we find this Noun .....

Sam: we can Verb - Base Form the demon!

John: BIngo. exclamation

With this good news in mind, the boys eagerly Verb - Past Tense their father and asked him if they could come along. John's face was filled with Noun as he said no.

Sam: BUT WE ARE FAMILY. YOU WILL LET US DO THIS OR exclamation

Dean: I'm with Sam on this one. exclamation

John: .....

John: .....

John: .....

John: ..... exclamation but I don't like this new Noun of yours, Dean. exclamation

Dean was Verb - Past Tense by his father's scolding, but he stood strong for Sammy. Sam was intent upon finding the gun for revenge and also Verb - Present ends in ING The latter was definitely a superior motive.

Meanwhile, Dean was worried sick about their family becoming Adjective He wanted them to be together.

The vampire nest fiasco was crazy. John wanted to retrieve the colt, but they would have to sneak in when the vamps

were sleeping. Contrary to myth, vampires didn't burn in the sun, they \_\_\_\_\_ Verb - Base Form in the sun. They slept, but only on \_\_\_\_\_ Noun - Plural . Once they had your \_\_\_\_\_ Noun they never stopped \_\_\_\_\_ Verb - \_\_\_\_\_ Present ends in ING you. They also mated for \_\_\_\_\_ Noun . The lead vampire was very \_\_\_\_\_ Adjective and knew of the colt's power. He knew the hunters would be there soon, so he \_\_\_\_\_ Verb - Past Tense . John Winchester \_\_\_\_\_ Verb - Past Tense the vampire with the colt, proving the colt truly was the legend it was told to be.

This was only the beginning.
