

# Crazy Adventure

1. Adjective
2. Noun
3. Adjective
4. Preposition Or Subordinating Conjunction

# Crazy Adventure

I went on a Adjective ride one Noun. I heard a Adjective sound that caught my attention.

I looked around and before my eyes I saw a large beast. It looked at me with strikingly blue eyes and whispered,

"Come Preposition or subordinating conjunction me!". I refused. He went away and that was the end of my

adventure.
