# Santa Fe Opera

On Monday, June 23, the \_\_\_\_\_ Noun - Plural loaded up and headed for Santa Fe, New Mexico. girls and eight chaperones settled in for the three hour journey from Colorado into the beautiful Land of Enchantment. The girls had spent the entire year planning for the trip and raising money by selling candy, singing concerts, hosting Over the Rainbow, and selling first aid kits. Once in Santa Fe, the girls would see a performance of the opera, Carmen, they would learn about improvisation in the theater, and they would visit the O'Keefe Museum. Three days and two nights of an exciting adventure to learn about the arts!
