## **Rosa Parks**

Rosa Parks first started school when she was Her first teacher was When Rosa
walked to school white people would trash at her. Later she got married to celebrity male
who was a member of the NAACP (National Association for the Advancement of Colored People). Rosa wanted
to be a member too, but Raymond Parks said it was too Later she convinced him to let her be
in the program. After Rosa refused to give up her seat on the bus, the NAACP started a bus boycott. They spread
the news to all the African American in the community. When the day came, only two
passengers were on the bus and they were
