Kion's Purpose

Kiara and her brother were at the edge of Pride Rock looking over over The Pride Lands.

"It's _____, isn't it Kion?" Kiara asked.

"Yeah." Kion sighed.

"What's wrong?" Kiara asked him _____.

"It's just...you get to rule this _____, _____ and I'm just...your little tag a long brother. I'm not important." He sighed.

"Kion..." Kiara said, sounding a bit _____. "You ARE important."

"How am I important? I'm just the second born." Kion sighed.

"But you're still a _____ AND you protect the Pride Lands with your friends." Kiara said.

"We don't protect it that much...all we do is stop _____."

"If anything ever happens to me, you'll be _____^{Noun}_____." Kiara said.

"I don't wanna think about you getting killed." Kion whined.

Kiara nuzzled him and gave him a friendly lick. "Kion. You're my little brother. You'll always be important to me."

"Thanks big sister."
