Squirrel

The best part of this time of year is all the Noun - Plural. Noun - Plural are Adjective and Adjective and the best thing that anyone could ever Verb. If you're not Verb - Present Tense Noun - Plural you are seriously missing out. I tell all my friends about the amazingness of Noun - Plural and sometimes they just stare at me like I'm Adjective. But I'm only Adjective for Noun - Plural.

I see a Coordinating conjunction and a girl. The girl gave me Noun - Plural once and she always looks at the Noun a lot. He looks at her too. But they always Verb - Non 3rd Person Singular Present at each other at the wrong second. But today they look at each other at the right second and they both Verb - Non 3rd Person Singular Present so wide it looks like they're Verb - Present Tense.

I hope they're Pronoun.

I hope they like acorns. Maybe I'll throw some Noun - Plural at them. No, that's a bad idea. I don't want to lose my Noun - Plural. I don't want to Verb. Call me a bad Noun, but I do not like to share my Noun - Plural.

Maybe that makes me a Noun squirrel. The Noun Noun. The very definition of a Noun.
