Funny how you can always tell when somebody's	behind your back. Jodie hadn't really
heard anything, maybe a whisper, but when she turned around, the g	girls in the back row of the class were looking
at her, trying to hide and giggles. She looked ba	ack at her teacher. Mr Swales was talking
about what people do all day. He also wanted to find out what his st	tudents wanted to be when they grew up. He
