# Baby Boy Joy

A little baby Noun

Is a bundle full of Pronoun

You can hold him in your Part of Body

To keep him Adjective and warm

But you must also let him Verb - Base Form

Because a boy needs his Noun

At first he will be Adjective

With tiny Noun - Plural and Noun - Plural

But soon he will get adjective - ends in ER

And he'll Verb - Base Form and sleep and same Verb

And you'll Verb - Base Form him the first day you do see him

Even more than you do now

And you'll same Verb him ever more as he Verb - Present ends in S

And you'll want to slow that down

But you'll always do what's best for Male Name of a Person

Put his needs before your own

And you'll talk and argue and same Name with same Name

Even after he's all Adjective.
