Dad Lib

There once was a very smart dad. He fished for Noun - Plural and did everything he could to make his family Adjective . He made them Noun - Plural for the whole family every Sunday and joked around with them day in and day out. One day he decided to get them a pet Noun . He searched everywhere in Proper Noun for one until he came upon the perfect and bushiest Noun . Once he caught it, he hurried home with the new pet in its cage. Suddenly, it Verb - Past Tense out and tackled the dad right in the Noun . It hissed and scratched until the dad ran home Verb - Present Tense . He knew never to mess with Noun - Plural again. The End!
