My Teacher

My teacher's name is Mrs. Last name . She is Adjective and has a Adjective tooth.

Students call her Snaggle. She Verb - ends in S with a limp and is very Adjective . She has a pet

 Noun at the back of the classroom. We have to take turns feeding him, sometimes if he is feeling

 Adjective he Verb - ends in S us. When he bites us Mrs. Same last name laughs and cries "

 Exclamation !" our class doesn't like her at all. She often Verb - ends in S in front of the

 Noun staring at every student. This morning a new Noun named Girls name joined our

class. I tried warning her about Mrs. Same last name , she didn't listen. She simply Verb - ends in ED

and told me to be quiet. For the whole day Mrs. Same last name was being almost Adjective . At the

end of the day the Girls name smiled and said "Sometimes it's Adjective to be taught by your

 Noun ." The whole class gasped and looked to Mrs. Same last name . She suddenly lost her

 Noun Noun , her limp; she was no longer Adjective or Adjective . From that day

on we saw her in a new light, someone who was loving and caring. She was also happy, she was a

 Noun .
