Bronx Zoo

My trip to the Bronx zoo was so Adjective. There was a Noun dancing on the roof of the zoo center. We saw Adjective baby animals. My favorite was the lion cubs because they were play fighting and their mom walked over to the cubs to make sure they weren't Verb - Present ends in ING each other. I saw gazelles and one gazelle Verb - Past Tense at Chris like a Labrador and Chris was scared so much he almost ran off the Noun. We saw a movie that was about Verb - Present ends in ING the Congo and helping the animals that live there. We voted to protect the Congo. On the way home I wanted to go to the Bronx Noun again.
