# Kate & Sam are having a BABY!!

My name is \_\_\_\_\_ Your name and I know \_\_\_\_\_ Your name because we \_\_\_\_\_ Verb - Non 3rd Person Singular Present together. When I first heard Sam & Kate were going to have a baby, I shouted \_\_\_\_\_ Noun! There is no doubt that his baby will inherit Sam's \_\_\_\_\_ Adjective \_\_\_\_\_ Noun and Kate's \_\_\_\_\_ Noun. Let's just hope he doesn't get Sam's \_\_\_\_\_ Noun \_\_\_\_\_ Noun - Plural or Kate's \_\_\_\_\_ Adjective \_\_\_\_\_ Noun. Chances are they'll name the baby \_\_\_\_\_ Proper Noun but I wouldn't be surprised if they named him \_\_\_\_\_ Proper Noun.
